04/2020

- If applicable proof of knowledge of the German language
You can find more information on the requirement of German knowledge on our website
- Your file for the verification of Identity with fees and filled-out questionnaire

Important: Due to common irregularities and inconsistencies the Federal Foreign Office has suspended the legalization of Cameroonian documents. If someone is planning a long-term stay in Germany, the Embassy will therefore need to verify the identity. Please visit our website www.jaunde.diplo.de for further information.

The Embassy reserves the right to request other documents than those indicated above and to verify their authenticity.

However, please do not hand in or send any documents without being asked to do so. Unrequested documents cannot be considered.

All documents, information sheets and applications forms from the German Embassy are free of charge.

Please ensure that your application documents are complete. Incomplete applications may result in a rejection of your visa application

All documents written in languages other than German, English and French must be translated into German and handed in with two additional photocopies.
